

How To Take the TEAS for Allied Health Assessment

Step 1: Create a New Account

1. Go to www.atialliedhealth.com
2. Click on the "Create an account" button, located below the password field in the Secure Sign On area.

The screenshot shows the ATI Allied Health website. At the top, there is a search bar and navigation links for "Create an Account", "Online Store", and "Contact Us". Below the navigation is a banner featuring a woman in a white lab coat and a quote: "As an Allied Healthcare educator, my main goal is to produce professionals who I would want to take care of my family." The main navigation menu includes "Individuals", "Employers", "Schools", and "Secure Sign On". Below the navigation, the text reads: "WE HELP TURN ALLIED HEALTHCARE WORKERS INTO PROFESSIONALS." followed by a paragraph about the importance of healthcare education. There are three columns: "FOR INDIVIDUALS", "FOR EMPLOYERS", and "FOR SCHOOLS", each with descriptive text. On the right side, there is a "Secure Sign On" form with fields for "Username" and "Password", a "GO" button, and a "Create an account" link. A red arrow points to the "Create an account" link. Below the form is an "Important" notice: "You must have the free Silverlight software on your computer in order to open the new Faculty and Student home pages and resources. Please click here before you attempt to log in to install it or determine if you already have it on your computer."
