

Healthcare Management Transfer Guide: Anoka-Ramsey

Our Healthcare Management major will build on your previous experience – students generally have two years of work or educational experience in healthcare – and develop your skills for leading in today's rapidly changing healthcare organizations.

St. Kate's is committed to providing options as you consider completing your bachelor's degree. We hope to maximize your educational experience, advise you in the financial aid process and assist in mapping out an optimal timeline. Please consider working with us as early as possible to optimize your educational opportunities.

St Kate's Transfer Policy:

1. A minimum of 50% of required **Major** courses must be taken in residence. (Does NOT apply to Prerequisite or Supporting work)
2. Students must achieve a **C-** or above for courses to transfer
3. A minimum of **48** of the last 64 credits in residence
*Special transfer rules apply for students earning an A.A. degree (Contact admissions counselor for details)
4. Transfer courses = to a St. Kate's course but not = in credit value will be awarded the transfer course credit value

All required major & supporting courses are listed below along with any **ANOKA-RAMSEY** courses which may be used to complete them. The major consists of 12 required Major courses plus a portfolio & 5 supporting courses. **ANOKA-RAMSEY** offers options to complete 10 of the 17 courses including 5 of the 12 major courses & 5 of 5 of the supporting courses.

To earn a bachelor's degree from St. Kate's, students must complete 120 total credits including the major courses listed here & a package of Core Liberal Arts areas (similar to the Goals in MnSCU). Fewer core course are required for students with an A.A. or the MnTC completed. See Baccalaureate Core Guide for detailed info.
