The institutions may have requirements for the type of institution from which you earn your associate's degree in nursing, it is assumed that those utilizing this guide are students at Anoka-Ramsey and therefore earning their associate's degree in nursing from A-R. The associate's degree in nursing meets the requirements (regionally accredited institution, approved by the State Board of Nursing) needed for the RN to BSN track.

If at the time you transfer, your courses are not accepted according to the information on this guide, contact the person/office at your transfer institution listed on the top right-hand corner of page one on this guide. If satisfactory resolution does not occur, contact an ARCC counselor for assistance.

NOTE: This information should be used with the catalog of the intended transfer college, not in place of it. Changes in requirements occur periodically, so check with both the transfer college and the Anoka-Ramsey Counseling Center at least once a year for updated information.
