

Program Information

Anoka-Ramsey Community College is a member of the Minnesota Alliance for Nursing Education (MANE), an alliance of Minnesota nursing programs dedicated to increasing the educational capacity for baccalaureate education. The MANE program is a shared, concept-based baccalaureate curriculum, based on a set of core competencies, intended to prepare graduates to provide care to individuals, families and communities in health promotion, acute or chronic illness, and at the end of life. This shared curriculum provides a seamless transition from associate to baccalaureate nursing education.

The program is designed as four years of full-time study, with the first two semesters devoted to prerequisite/preparatory courses required for admission to the nursing program. Successful completion of five semesters leads to the option for an Associate in Science Degree in Nursing offered by Anoka-Ramsey Community College and eligibility to take the NCLEX-RN licensure examination. The MANE curriculum continues for three additional semesters leading to a Bachelor of Science degree with a major in Nursing (BSN) offered by a partner school. It is intended that all courses will be offered at Anoka-Ramsey Community College Campus. For additional information about the Nursing Program, visit <http://www.anokaramsey.edu/academics/degrees-certificates/two-year-degrees/associate-in-science-degrees/nursing-mane/>

Program Goals

Upon completion of the Associate in Science Degree (MANE) Program's 5 semesters, students will have met the following learning outcomes:

1. Demonstrate reflection, self-analysis, self-care, and lifelong learning into nursing practice;
2. Apply leadership skills to enhance quality nursing care and improve health outcomes;
3. Utilize best available evidence and informatics to guide decision making;
4. Incorporate ethical practice and research within the nursing discipline and organizational environments;
5. Collaborate with inter-professional teams to provide holistic nursing care;
6. Adapt communication strategies to effectively respond to a variety of health care situations; and
7. Practice holistic, evidence-based nursing care including diverse and underserved individuals, families, and communities.

Program Admission

Acceptance to the program allows for dual admission to Anoka-Ramsey Community College and a MANE baccalaureate partner culminating in a baccalaureate degree. To apply for the Nursing program, submit the Application for the Nursing Program to the Records Office. See the Nursing website or an academic advisor for specific Nursing program admission criteria.

Related Program Requirements

Clinical facilities require students to maintain specific requirements to ensure student and patient health and safety. Proof that these requirements are met must be furnished by the student.

♦ *Course has a prerequisite. Prerequisites are listed on the course schedule and in the ARCC Catalog Course Descriptions pages.*

NOTE: You are encouraged to contact an academic advisor at 763-433-1230 for course planning assistance and information about transfer credit evaluation and transfer options.

Completion Requirements

- A minimum of 75 semester credits numbered 1000 or above.
- A minimum cumulative grade point average (GPA) of 2.0 in courses numbered 1000 or above at ARCC.
- A minimum cumulative grade point average (GPA) of 2.0 in all MnTC courses.
- Satisfy residency requirements. See page 26.
- A minimum grade of C and an evaluation of "safe" in clinical practice must be earned in all program and General Education/MnTC requirements.
- Completion of specific degree requirements.
- To receive your diploma, you must apply to graduate.
- The requirements of this program are subject to change without notice.

Choose one of the following two options:

Program Requirements - Traditional: 35 credits
