Graduate Completion Rate

The table below includes all RN and LPN graduates by year for Fall 2013/Spring 2014, Fall 2014/Spring 2015, Fall 2015/Spring 2016, and Fall 2016/Spring 2017. Completion rate is based on the number of students who graduate within 150% time of beginning the program (RN: six semesters, beginning with NURS 1182; LPN: three semesters, beginning with NURS 1153 or 1283; MANE RN: four semesters, beginning with NURS 2700; MANE LPN: four semesters, beginning with NURS 2720). The first cohort of MANE RN and LPN students enrolled during the Fall 2014 semester. There were no students who first enrolled in the ADN program during the Spring 2014 or Fall 2014 semesters.

Job Placement Rate

The table below includes related employment rate based on responses to the MnSCU Graduate Follow-Up Survey for graduates of each fiscal year. This survey collects responses for students within a year of receiving an award and asks if the student is employed and if so, if the student considers it related to the degree or award received. This data is available in the fall term a year after the end of the fiscal year being collected/reported (i.e. FY 2015 graduates, who receive awards in August 2014, December 2014, or May 2015, will be reported in Fall 2016.)
