The Minnesota Transfer Curriculum (MnTC) is an agreement between Anoka-Ramsey Community College, Minnesota State schools, and the University of Minnesota. The MnTC will transfer as a "package" to any Minnesota State school, the University of Minnesota system, and some private schools upon completion and documentation on students' transcript, which will be updated at the end of each term. Students must **fulfill the 10 goal areas**, **complete 40 credits from those listed below, and maintain a cumulative 2.0 GPA for the entire MnTC**. Grades of A, B, C, and D are accepted within the MnTC. Courses with a superscript (e.g.: ENGL 1121[2]) satisfy more than one goal area. The credits are only counted once towards the 40-credit requirement. The number of credits is noted in parenthesis next to the course.
