

PSEO Student Advising Form

This is a tool for high school students to complete with their counselor/dean to aid in the college registration process. Anoka-Ramsey (ARCC) academic advisors will not know your HS graduation requirements, so it is critical that you complete this form with a counselor/dean prior to attending an Orientation and Registration session at ARCC. ARCC will advise students on which courses will best fit the student's transfer plan or intended college major, but will not advise which courses will meet high school graduation requirements.

Please bring this form to your Orientation and Registration session!
