The School of Social Work has historically been a collaboration between the University of St. Thomas and St. Catherine University and has been accredited by the Council on Social Work Education at the baccalaureate level as a collaborative program. Following the 2018-19 academic year, the University of St. Thomas and St. Catherine University will be offering social work programs independently and will transition to independent accreditation. The University of St. Thomas will continue to offer a Bachelor of Social Work (BSW) that qualifies graduates to take the Minnesota Board of Social Work examination for State of Minnesota licensure at the licensed social worker (LSW) level. Our School of Social Work has also been recognized as a national leader for its strong commitment to social justice. Social Work for Social Justice: Ten Principles, based on the NASW Code of Ethics and Catholic Social Teaching, was developed by our department and is used in programs across the country.

Students must complete 12 courses (44 credits) within St. Thomas' social work curriculum to meet the social work major requirements.

#### Admission Process:

The School of Social Work requires you to be formally admitted to the major. This process takes place at the middle of the junior year. As a prospective major, you must have a minimum 2.25 GPA and be interviewed by faculty of the school.
