Program Information

The Alcohol and Drug Counseling certificate program is designed for students interested in the field of alcohol and drug counseling. The program prepares graduates for the written test and oral examination which are required for Minnesota state licensure. Earning the 28-credit certificate may be stacked to an Associate of Science (AS) degree in Alcohol and Drug Counseling Studies, allowing the student to practice under a temporary ADC licensure en route to earning a Bachelor's degree within five years. (NOTE: the written test and case review must be satisfied as defined by the Minnesota Board of Behavioral Health and Therapy). The certificate may also be added to a Bachelor's degree, thereby allowing the graduate to practice upon successful completion of the state licensure exam.

Program Goals

Upon completion of the Alcohol and Drug Counseling certificate, graduates will demonstrate achievement of program outcomes by being able to:

1. Apply and demonstrate competency of counseling services to people with substance abuse disorders, as defined by the 12 core functions;
2. Apply the established diagnostic criteria for substance use disorder and describe treatment modalities and placement criteria within the continuum of care;
3. Apply a variety of models and theories of addiction and other problems related to substance abuse;
4. Demonstrate clinical writing skills for professional documentation;
5. Apply laws, rules, and ethical guidelines related to the State of Minnesota and the addiction counseling profession; and
6. Execute two practica (internships) over two academic semesters performing the 12 core functions for a total of 880 hours in clinical practice.

Program Admission & Related Requirements

Program admission requires completion of Alcohol and Drug Counseling Orientation. Clinical/practicum facilities require students to maintain specific requirements to ensure student and client health and safety. Proof that these requirements are met must be furnished by the student and include but are not limited to:

- A recent physical examination including current immunity titers and a current negative Tuberculosis (TB) screening.
- Current certification in American Heart Association: BLS Healthcare Provider is required for all Clinical/Practicum courses.
- A cleared Background Study is required from the State of Minnesota.

Completion Requirements

- A minimum of 12 semester credits in courses numbered 1000 or above.
- A minimum cumulative grade point average (GPA) of 2.0 in courses numbered 1000 or above at ARCC.
- A minimum grade of C must be earned in all program requirements.
- All ADCS courses must be completed at ARCC or have been approved for credit for prior learning.
- Students must complete a Certificate Application. Certificate Applications are available online, in the Office of Records & Registration, and in the Advising Center. Submit a completed form to the Office of Records & Registration.
