

How to get to Zoom when you cannot download the App onto your Chromebook or Laptop

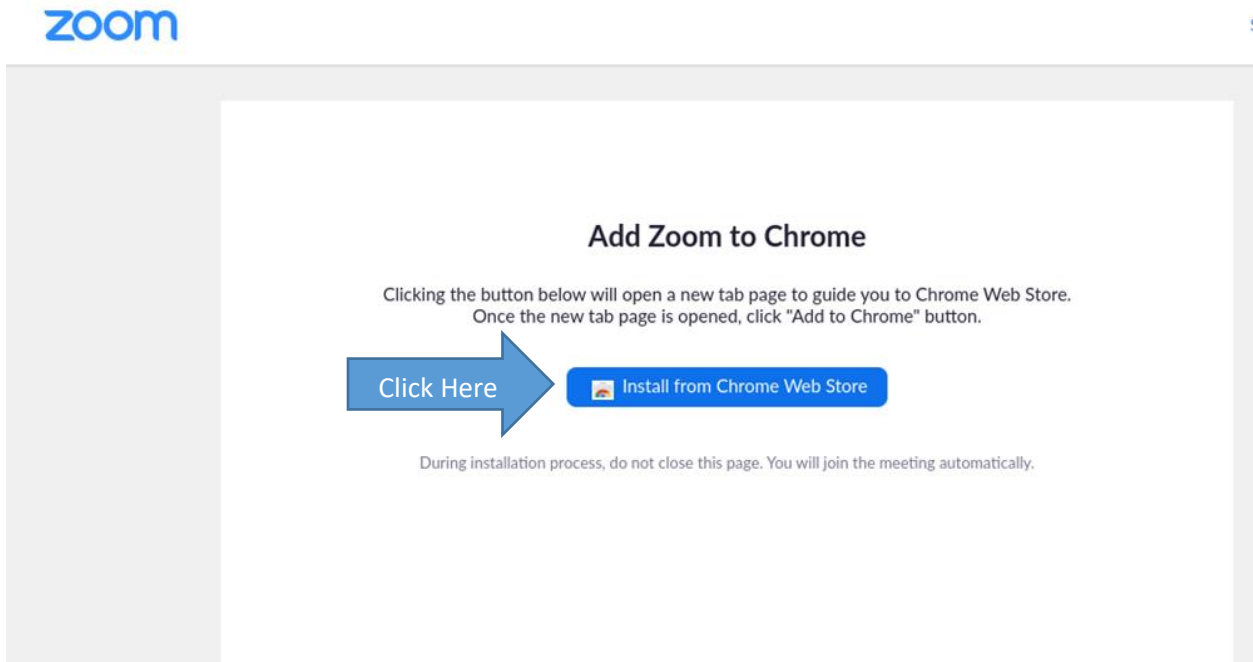

Signing in to Zoom: Please note, if you are signing in through a web browser, use your Star ID and password.

1. Go to [Minnstate.zoom.us](https://minnstate.zoom.us)

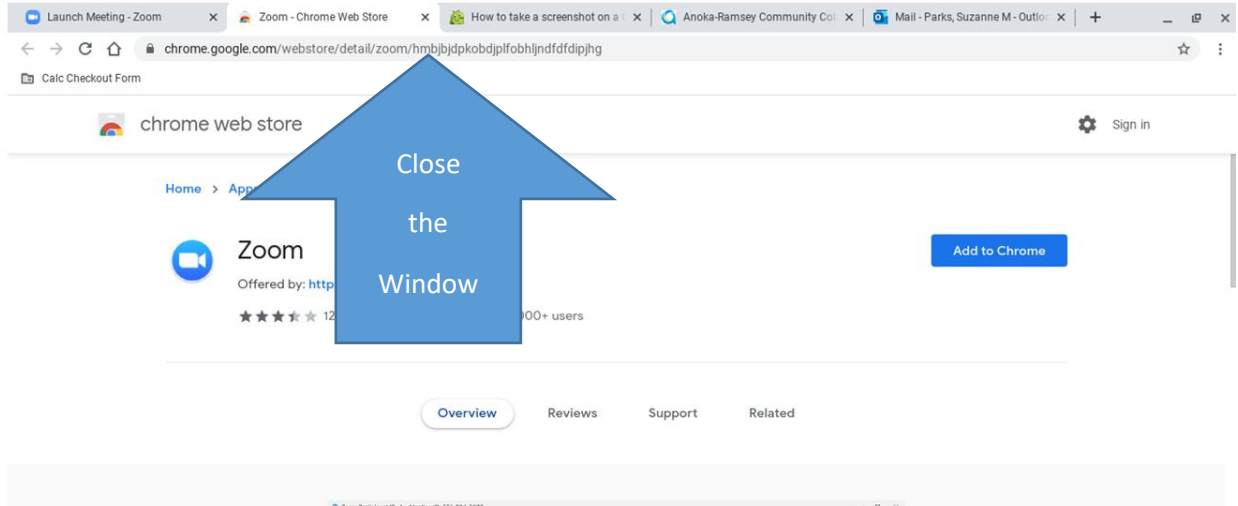

2. Click on Either Host (to start a meeting) or Join (to join a meeting) or sign it (to set up your profile if you have not done so).
3. You will be prompted to sign in. Use your star ID and Password.

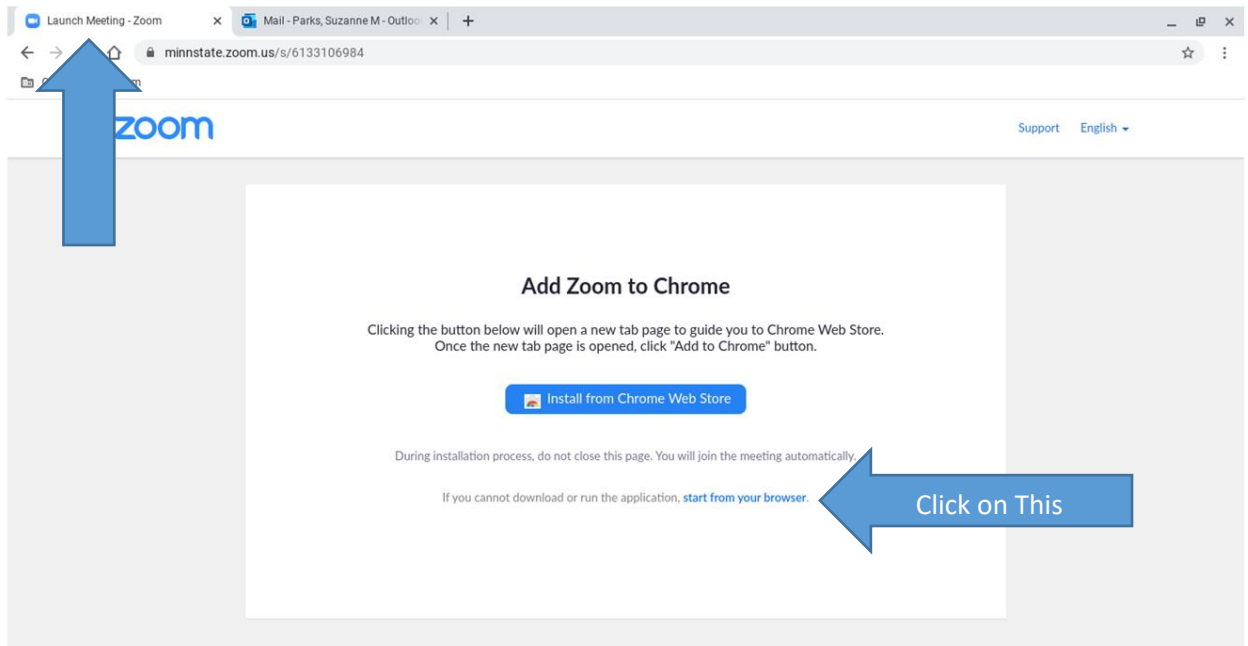

- 4.
- ❖ If you are hosting it will take you to the next screen which will ask you to [Install from Chrome Web Store](#). Click on the blue square with the link.

- After clicking on the Install link a new window will open where it will have another blue square link in the top right corner saying [Add to Chrome](#). THIS WILL NOT WORK AS THE CHROMEBOOKS ARE LOCKED AND YOU CANNOT DOWNLOAD, but you still have to get this window to open.

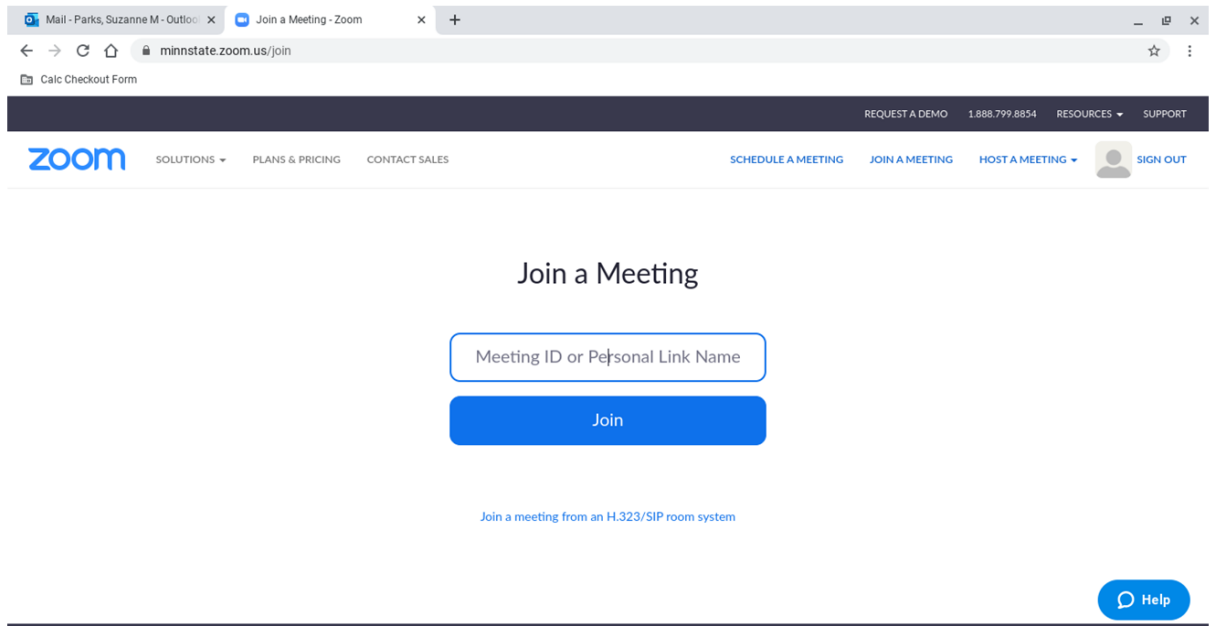

- Close that new window so that you end up back with the original window asking you to Install from Chrome. You will now see that there is a small direction at the bottom middle of the page that says: If you cannot download or run the application, **start from your browser**.

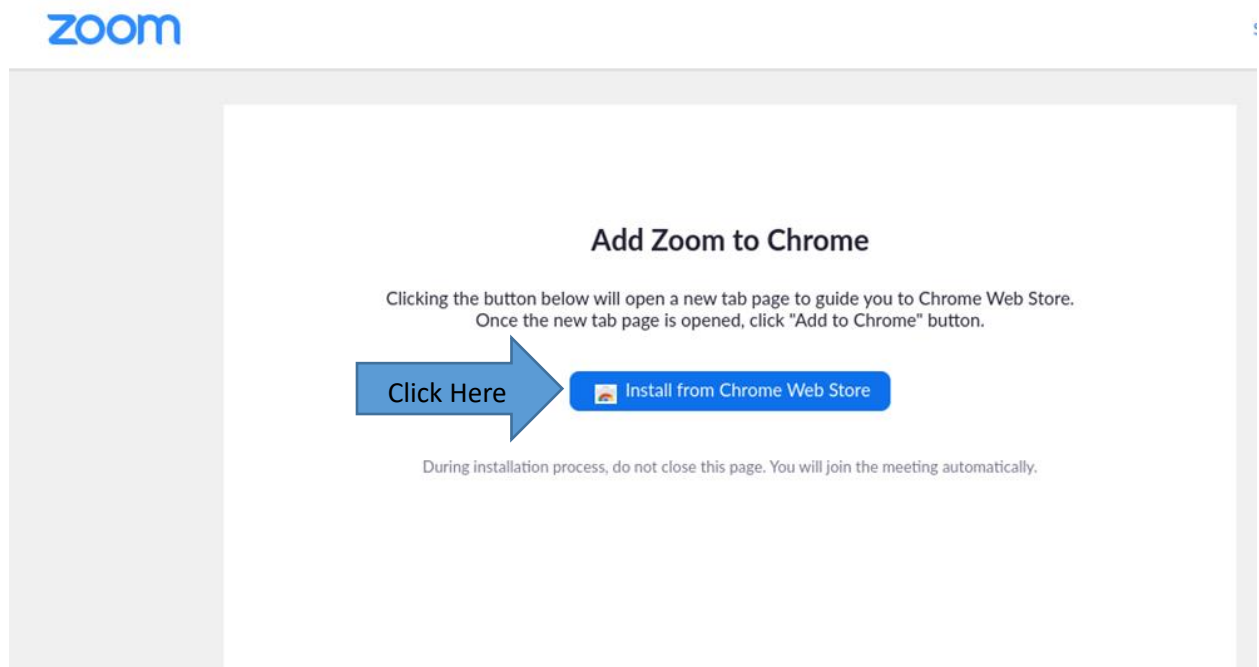

- Click on Start from your browser to proceed to Zoom.

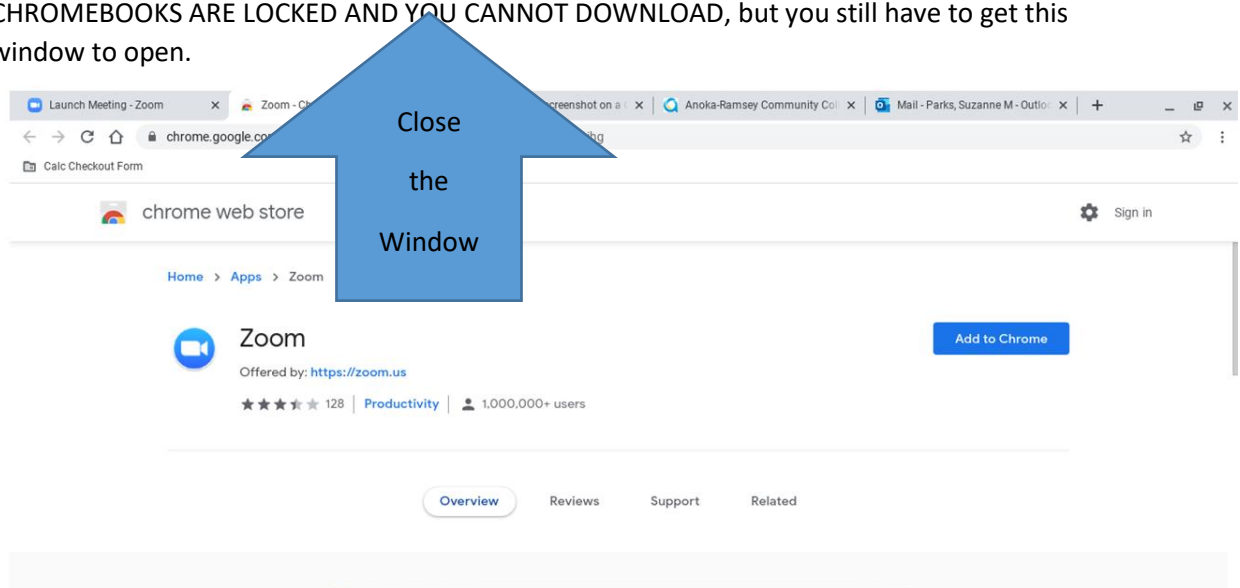

- ❖ If you are joining a meeting after you click on join you will be prompted to enter the meeting ID which is the 9 numbers linked to the zoom meeting you are joining.

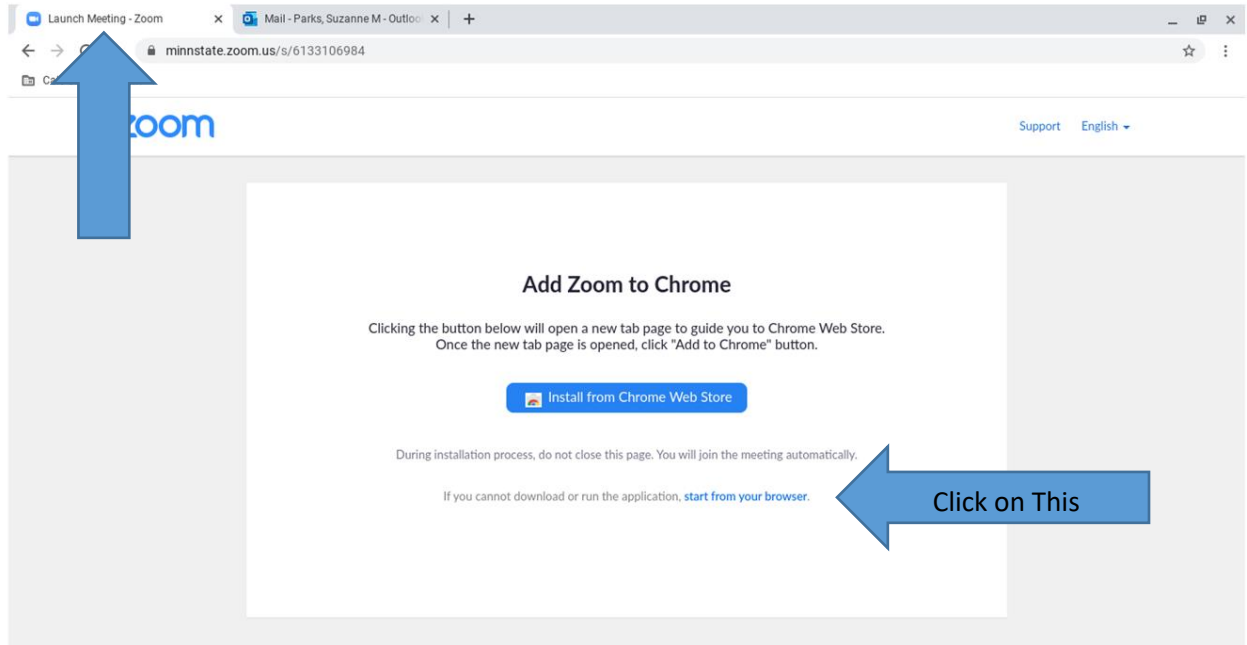

- After entering the meeting ID a new window will open where it will ask you to **Install from Chrome Web Store** Click on the blue square with the link.
