

Anoka-Ramsey Community College's Alignment with U.S. States and Jurisdiction's Nursing Educational Requirements

Effective July 1, 2020 the U.S. Department of Education is implementing a new regulation (Regulation 34 CFR 668.43 (a) (5) (v)) which requires all college's with nursing or allied health programs that end in certification or licensing to provide the following:

1. A list of all states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification;
2. A list of all states/jurisdictions where the institution's curriculum does not meet state educational requirements for professional licensure or certification; and
3. A list of all states/jurisdictions where the institution has not made a determination of whether the curriculum meets educational requirements.

State or U.S. Jurisdiction	Anoka-Ramsey MANE Curriculum Meets State Education Requirements for Professional RN Licensure	Anoka-Ramsey MANE Curriculum Does Not Meet State Education Requirements for Professional RN Licensure	A determination has not been made whether the curriculum meets educational requirements for Professional RN Licensure
