

Program Information

The Associate of Applied Science (AAS) in Accounting Practitioner degree program is designed for students interested in preparing for entry-level positions in accounting. The AAS degree combines general education and business concepts and procedures to fully prepare the graduate for employment. Students can complete the coursework on a full- or part-time basis; however, it is recommended that the degree be completed within four years. For assistance in program planning, or to explore additional transfer options, students should schedule a time to meet with an academic advisor. This degree may transfer in part or in its entirety to baccalaureate institutions. Students should meet with a representative of the transfer institution when planning their program. A student who completes this degree will have met the educational requirements for licensure as a Registered Accounting Practitioner (RAP) in the state of Minnesota and may sit for the RAP exam. An individual must pass the RAP exam and also satisfy a one-year experience requirement to be awarded the RAP license. See an advisor for further information or assistance in planning. For additional information about our business programs, visit our website at: AnokaRamsey.edu/.

Program Goals

By completing this program, students will achieve the following learning goals:

1. Prepare journal entries and financial statements;
2. Use critical thinking skills to analyze and solve business problems;
3. Appropriately use technology to solve business problems;
4. Demonstrate knowledge of business law and ethics to direct action in business scenarios;
5. Determine tax treatment of basic individual and business situations; and
6. Demonstrate effective business communication skills.

Developmental Courses

Some students may need preparatory courses in the areas of English, mathematics, reading, or typing/keyboarding. Courses numbered below 1000 will not apply toward this degree.

Completion Requirements

- A minimum of 60 semester credits in courses numbered 1000 or above.
- A minimum cumulative grade point average (GPA) of 2.0 in courses numbered 1000 or above at ARCC.
- Satisfy residency requirements.
- Completion of specific degree requirements.
- To complete your program, please submit the appropriate application found [here](#).
- The requirements of this program are subject to change without notice.

Program Requirements: 45 credits
