

Program Information

The emerging field of Integrative Health and Healing (IHH) has captured the interest of healthcare providers, practitioners, and consumers. This program is designed for students, practitioners, and learners seeking to understand the exciting, new field of Integrative Health and Healing. Ideal candidates for the certificate program will have previously earned a degree in healthcare. The Integrative Health and Healing certificate program is intended to enhance current skills and abilities used in a healthcare setting.

Program Goals

By completing this certificate, students will achieve the following learning goals:

1. Evaluate the fundamental principles of integrative health and healing, trends in holistic health, and the complexities of this emerging field;
2. Demonstrate an understanding of the interconnectedness of mind, body, and spirit of the human system;
3. Describe holistic healing philosophies and healing through social, cultural, environmental, and global perspectives of healing;
4. Evaluate the role of healing strategies for self-care as well as strategies in the healthcare system;
5. Describe ethical responsibilities in the practice of holistic healing; and
6. Identify current scientific literature to support the emerging field of Integrative Health and Healing.

Completion Requirements

- A minimum of 12 semester credits in courses numbered 1000 or above must be completed at ARCC.
- A minimum cumulative grade point average (GPA) of 2.0 in courses numbered 1000 or above at ARCC.
- A minimum grade of C must be earned in all program requirements.
- All course requirements must be complete before a certificate will be awarded.
- Students must complete a Certificate Application. Certificate Applications are available online at AnokaRamsey.edu/resources/forms/ under Records and Registration. Alternative formats of the form are available at the Records and Registration Office per request.
- The requirements of this program are subject to change without notice.
