

## **BETHEL UNIVERSITY BUSINESS PROGRAMS TRANSFER GUIDE 2022-2023**

This transfer guide is designed to help students at Anoka-Ramsey Community College confidently transfer to Bethel University for a Bachelor’s degree in business.

Bethel has two different business programs: a BA in Business with 6 different emphasis choices, and a BS in Business Management with 2 concentration choices. Both programs are accredited by The Accreditation Council for Business Schools and Programs (ACBSP).

The BA in Business is housed in our College of Arts and Sciences (CAS). It is a traditional college experience, where the majority classes are taught during the day, in our classrooms on our Arden Hills campus. Most students are between 18-24 years of age, many live on campus, and many participate in student activities like D3 athletics, intramurals, chapel, and social events.

The BS in Business Management is housed in our College of Adult and Professional Studies (CAPS). It is a nontraditional college experience, where the majority of classes are fully online. Most adult students are working full- or part-time while earning their degree, do not live on campus, and are encouraged to participate in college activities and events when they have time to do so.

## BA in Business (Traditional Undergraduate, On Campus)

The BA in Business includes three pieces. The first includes Bethel's general education courses for CAS students. For information on specific courses, please see our general education transfer guide [here](#). The second piece of the BA in Business is a set of 11 core classes that all business majors take. Many of these can be covered by classes at Anoka-Ramsey Community College. See Table 1 for information about transferring these classes to Bethel from ARCC.

The third piece of the BA is Business is your choice of one of 6 specific emphases, tailoring your business major to your area of interest. These include Accounting, Business Analysis & Analytics, Finance, Human Resource Management, Innovation & Entrepreneurship, and Marketing. Each emphasis includes 8-9 classes, and 24-30 credits

If you transfer to Bethel with the **Minnesota Transfer Curriculum (MnTC)** and at least 40 credits, you could complete your BA in Business degree at Bethel in as few as 5 semesters. If you transfer to Bethel with an **Associate of Arts** degree, you could complete your BA in Business degree at Bethel in as few as 4 semesters. If you transfer to Bethel with an **Associate of Science or an Associate of Applied Science** in a business field, you could complete your BA in Business degree at Bethel in as few as 4 semesters. As part of your coursework at ARCC, you should be mindful to take the specific courses listed in Table 1, as they will directly transfer for a Bethel requirement.

CPA Track: The College of Arts and Sciences also offers a BS in Accounting and Finance which is specifically designed for students who would like to meet the educational requirements to become a Certified Public Accountant.

More detailed information about the BA in Business can be found [here](#). If you would like to see the course requirements and descriptions, that information can be found [here](#).
