

Click "Sign Up" in the upper right hand corner and enter your email address.

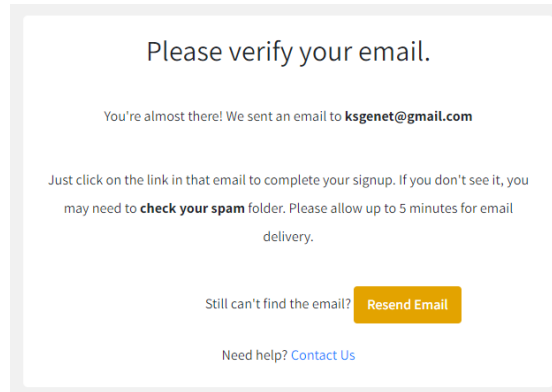

The screenshot shows the top navigation bar of the Symposium website. The logo "Symposium" is on the left. The navigation menu includes "Home", "Product" (with a dropdown arrow), "Case Studies", "Pricing", "Discover Events", "Login", and "Sign Up" (highlighted in yellow). Below the navigation is a large grey banner area containing a white "Sign Up" form. The form has the title "Sign Up" and a link "Signed up already? Login here." Below that is an "Email: \*" field with a text input box. Underneath is a line of text: "By signing up, you agree to Symposium's Terms of Service and Privacy Policy." At the bottom of the form is a yellow "Next" button.

Complete all fields: email address, password, name, birthdate. This information will NOT be used or sold for any marketing or nefarious purposes. It's just a helpful way to track people who engage with the ARCC OSCARS and provides a layer of security so you can access options on the website such as commenting on presentations and accessing live events.

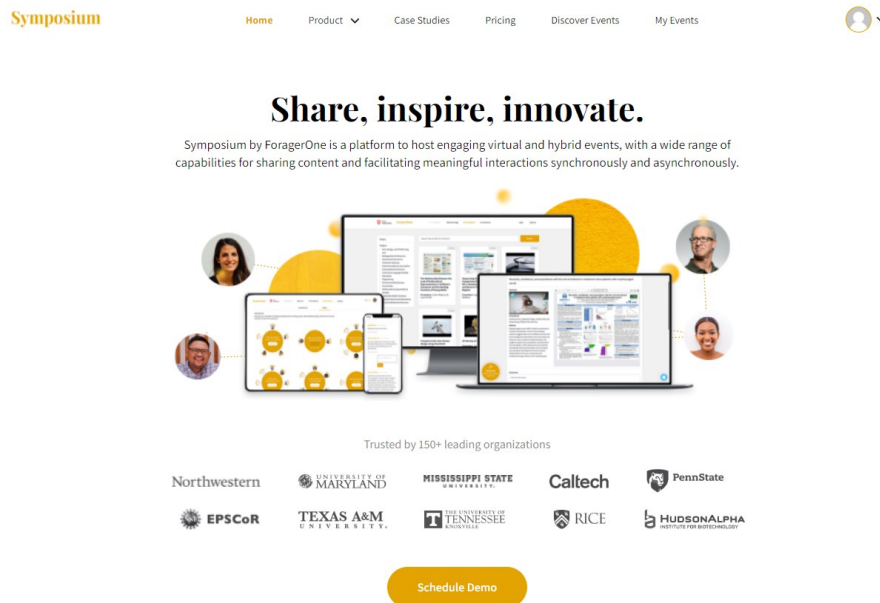

This is a detailed view of the "Sign Up" form. It features the following fields and elements:

- Sign Up** title and [Signed up already? Login here.](#) link.
- Email: \*** field: The input box is empty and has a red border with a red "x" icon on the right. Below it is the error message "Email is required" in red text.
- Password: \*** field: An empty text input box.
- First name: \*** field: An empty text input box.
- Last name: \*** field: An empty text input box.
- Birthday: \*** field: A date picker input box showing "mm/dd/yyyy" and a calendar icon.
- Disclaimer text: "For users under the age of 13, we must first receive parental consent before allowing use of the platform."
- Agreement text: "By signing up, you agree to Symposium's [Terms of Service](#) and [Privacy Policy](#)."
- Sign Up** button: A yellow button with the text "Sign Up".

Check your email and follow the directions to verify your email address:

Once you click on the link in your email and sign into Symposium with that email address and password, you will be taken to the Symposium home page.

You can either copy and paste the OSCARS website into the navigation bar or click "Discover Events" along the top. When you click "Discover Events", enter OSCARS into the search bar and hit enter. You will see our event, and then you can click "View" to enter it and see all of the projects and presentations.
