

Retesting Information

If you are not satisfied with your initial test results and course placements, you may retest.

Students may retest two times (three total) within twelve (12) months, with the first time a student takes the exam being the start date for the one year limit. Retests are limited to five retests (six total) per general subject (e.g. math) within the period that the scores are valid (two calendar years for math and 5 calendar years for reading comprehension and writing).

There is a **\$10.00 retest fee** per retest session.

Register online for you Accuplacer retest session at anokaramsey.edu/assessment.

Before Testing/ Retesting

Prepare for the test. Doing so could save you time and money! Study guides and resources, including practice tests, are available online and in the testing center.

Adult Basic Education (ABE) can also help students prepare for their placement test:

ANOKA-RAMSEY
COMMUNITY COLLEGE

ACCUPLACER “Next Gen” PLACEMENT TEST

Assessment and placement is required for all students. The Accuplacer assesses skill levels in reading, English and mathematics. Although the placement tests do not determine admission to Anoka-Ramsey Community College, they do determine entry into some courses. Test results are used to determine the appropriate course placement to promote student success.

**Reading & English scores are valid for five years.
Math scores are valid for two years.**

You may be exempt from some or all of your placement tests if you meet certain conditions. High School GPA, previous high school coursework, previous college coursework, Accuplacer, Advanced Placement (AP), ACT, SAT and/or MCA scores may be used to determine placement. See our website for more information on possible exemptions.

Contact an advisor if you have questions regarding your placement scores by emailing: advising@anokaramsey.edu or by calling 763.433.1230.

Reading

ACCUPLACER Next Gen: Reading Comprehension	
Scores:	Reading Course Placement:
200-219	Adult Basic Education (ABE) - <i>FREE Classes</i>
220-236	READ 0910 (4cr) Preparing for College Writing (Required 1st semester) READ 0990 (3cr) Reading II (Required 2nd semester)
237-249	READ 0990 (3cr) Reading II (Recommended)
250+	READ 1106 (1cr) College Textbook Reading (Optional) READ 1108 (3cr) College Reading III (Optional)

English

ACCUPLACER Next Gen: Reading Comprehension	
Scores:	English Course Placement:
200-219	Adult Basic Education (ABE) - <i>FREE Classes</i>
220-236	ENGL 0890 (4cr) Preparing for College Writing
237-249	ENGL 0990 (2cr) Cross-Current Composition AND ENGL 1120 (4cr) Cross-Current College Writing & Critical Reading You must register and successfully complete both courses to complete your college-level writing requirement (MnTC Goal Area 1A) in one semester. <i>Previously ENGL 0950 (4 cr.)</i>
250+	ENGL 1121 (4cr) College Writing and Critical Reading

Reading & English scores valid for five years.

Mathematics

ACCUPLACER Next Gen: Arithmetic	
Scores:	Math Course Placement:
200-214	Adult Basic Education (ABE) - <i>FREE Classes</i>
215-229	MATH 0080 (0cr) Principles of Mathematics
230-239	MATH 0230 (5cr) Mathematical Found w/ Elem Al- gebra
240-264	MATH 0240 (5cr) Mathematical Concepts w/Elem Algebra
265+	Math 0250/1100/1114
ACCUPLACER Next Gen: Intermediate Algebra	
Scores:	Math Course Placement:
>50	<i>See Arithmetic Placement</i>
50+	MATH 0250 (5cr) Intermediate Algebra MATH 1100 (3cr) Mathematics for Liberal Arts MATH 1114 (4cr) Introduction to Statistics <i>Previously MATH 1110 (3cr)</i>
ACCUPLACER Next Gen: AAF	
Scores:	Math Course Placement:
200-219	<i>See Intermediate Algebra Placement</i>
220-249	Math 0250/1100/1114
250-264	MATH 1121/1200
265-274	MATH 1201 (4cr) College Algebra II & Trig
275+	MATH 1210 (5cr) Pre-Calculus

Math selection and sequencing is based on your major.
See an advisor for help with selecting math courses.

Math scores are valid for two years.
