Helpful Tips:

- Citations begin on a new page titled "Works Cited" (not bolded).
- Double space all citations and indent each line after the first (hanging indent).
- Place in alphabetical order based on first word of citation (excluding articles "a," an," and "the").
- All dates use the day-month-year style. Include the most specific date possible, and abbreviate all months EXCEPT May, June, and July.
- To reference just one page, use "p." To reference multiple pages, use "pp."
- Do not include http:// in the URL unless it is a DOI.
