

Course Placement Guide

Valid assessment test scores on the Accuplacer, ACT, SAT, MCA, etc., previous high school GPA and coursework, and previously earned college-level credit can be used to determine a student's placement level in English/Reading/Math. To view your placement level, log into eServices, then select Courses & Registration, and then Course Placement.

If you do not have a valid placement level/score on file in eServices or would like to have your placement reevaluated, please visit anokaramsey.edu/resources/testing-services/course-placement for next steps.

Please note, while these measures help to inform placement, you should meet with your academic advisor to discuss the most appropriate course for you based on your comfort level, skills, and area of study.
