

Concurrent Enrollment Course Request Form

This form is required of all new Concurrent Enrollment courses in order to gain department and college approval before the course can be offered. Please fill out completely and submit separate forms for each new course requested. Our academic dean or faculty department chair may reach out with any questions.

If the course is approved, please have the intended high school instructor complete a High School Partner Teacher Application, complete with college transcripts and a resume. The application will be evaluated to determine whether the instructor meets Anoka-Ramsey's requirements to teach the approved course.

Please submit documentation to Concurrent@anokaramsey.edu or mail to Anoka-Ramsey Community College c/o Concurrent Enrollment, 11200 Mississippi BLVD NW, Coon Rapids, MN, 55433.
